## CAREGIVER wallet card

This card is for you to show the doctors, pharmacists, or other healthcare staff and teams for the person in your care. It lets them know that the person you are caring for is being treated with TECVAYLI®.

Print this page and fill out the card above. Then, remove both cards by cutting them around the dotted edges.

Please read full [Prescribing Information](#), including **Boxed WARNING**, for TECVAYLI®.

If the person in your care experiences any of the symptoms below, call their healthcare provider or get emergency help right away.

Use your smartphone camera to scan this QR code to see the full [Prescribing Information](#), including **Boxed WARNING**, and Medication Guide for **TECVAYLI®**.

For more information about side effects and signs and symptoms to look out for, please visit [TECVAYLI.com](https://www.tecvayli.com).
